-1 Can you read? Then you'd know. And yet, as a "big bitch", I have the numbers: over 632,000 post points and 43,000+ comment. So people like what I post. The ones who don't are the stupid people who post stupid (including hateful, racist, doomer etc) things.

Also you've been here what, 18 days? You are a complete new boi but with an attitude like yours, you ain't gonna last!

Fine, have fun having every single election from now on be exactly like Georgia last night, while are your rights are stripped away, not allowed to leave your house without a mask, proof of vaccination, and no weapon of means of self defense. Have fun.
